The Theory
of Sorrow

X

him

The Theory of Sorrow

1.

2.

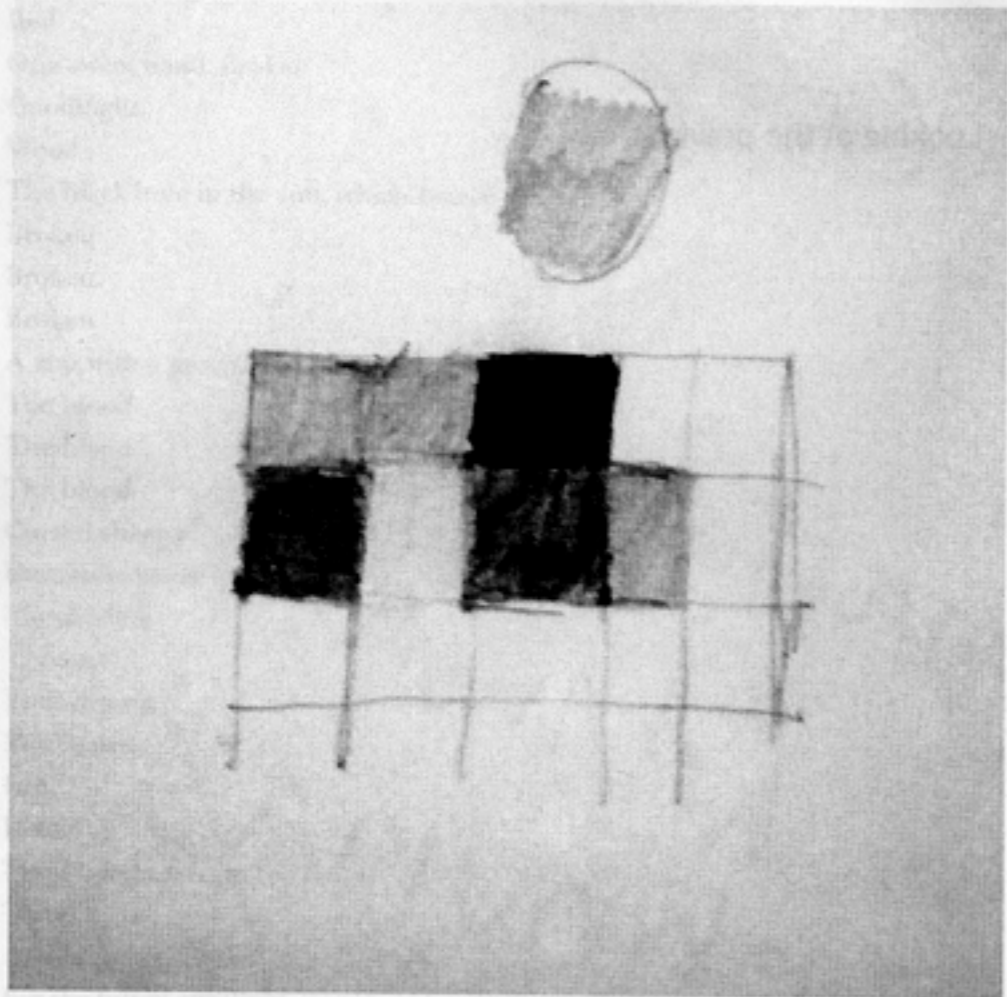

3.

The small wood
The lover
The sick fish
Cages of rain
Red
One sweet hand. Broken
Goodnight
Wood
The black hole in the sun, which burns!
Broken
Broken
Broken
A cup with a green, dark, torture
The blood
The blood
The blood
Cursed sheeps
Desperate birds
The sky/dog
The boat
The tempest
The drawn
Him
Her
Tired horses next to the faucet
Thirst
And higher: the poet
Big sky full of swallows
Kostas
Aegisthos
The moon: is a green light, full of methylate
Hammers
Knives
Come, let's forget.

Dust and water applied on 112,36 m²

Looking at the previous sky.

The small wood
The forest
The sick fish
Corns of rain

Kostas
Angelika
The sun is a green light, full of mythology
Hannah
Katie
Come, let's forget

...because in the beginning of the literature the myth is lying.
And in the end, the myth again.

Dust and water applied on 112.36 m²
